Story Mapping with Annie

Write a summary using Midnight on the Moon

MATERIALS NEEDED:

- Midnight on the Moon
- *Story Mapping with Annie* worksheet for each student (included)
- Post-it notes for each student
- Colored pencils or crayons

DIRECTIONS:

The student will copy information onto the ***Story Mapping with Annie*** worksheet as they read.

CHAPTER ONE (Start at the **icon of the book**)

- Who pointed to the picture in the book? (Jack or Annie?)
- What is the picture Jack or Annie pointed to?
- What is the name of this magic book which starts the adventure?
- Move to the Mission Key **scroll** to fill in the goal of the mission for this book.

CHAPTER TWO

- Move to the **tree house window**. Draw the setting of where the tree house landed.
- Write the name of the time period under the tree house window.
- Move to the Chapter 2 **star**. Write the first main event upon landing in the new setting.

CHAPTERS THREE – TEN

- Student puts a post-it note on the page of the main event that happens in each of the next eight chapters. Jot down the event on the post-it. (Sometimes there is more than one event or the students get distracted by the details. Refer to lesson ideas in the Whole Class Book Study section for ideas on how to teach this. This is located in the Cluster Section – Backpack Travel Journals)
- Teacher checks post-it note for accuracy. This continued practice with each story will teach the students how to choose the main events for re-telling a story.
- Student will write a few words or a sentence describing the main event of the chapter near the **circled chapter number**.

Collect a *Story Mapping with Annie* journal for each of the four books read in the cluster and store in **THE BACKPACK**. Refer to Cluster 2 – The Backpack Journals to further extend this lesson.
